

MONDIAL DU LION 15TH TILL 18TH OCTOBER

The teams and volunteers are working hard so as to organize a Mondial worthy of its name. Various scenarios have, and are being considered for the welcoming of the partners, exhibitors, competitors and the public.

The Organizational Committee, in agreement with the French Equestrian Federation and the International Equestrian Federation, confirm the organization of the Mondial du Lion from 15th till 18th October 2020.

Sophie Cellier, technical director of the Mondial du Lion : « On the sport side, it is certain that the qualification and preparation of the horses will be more complicated than the other years. But, it's a relief for the development of the generations of horses aged 6 and 7. »

We hope to find this spirit that animates us all : conviviality, sport and the extraordinary moments shared all together.

You will contribute to making the Mondial 2020 edition an extraordinary and unforgettable one !

Jean-François Arthuis, President of the association Le Lion Equestre - Mondial du Lion : « Taking into account the elements known to date, we are in capacity to confirm the 34th edition of the Mondial du Lion and that it will take place 15th till 18th October 2020. Our priority is to organize the events whilst respecting the adequate security conditions for the different types of public that we shall welcome. We are currently working on the establishment of the protocols that will allow the welcoming of sportsmen, organizational teams, spectators ... ».

The ticket office for the public will open mid-June.
