

Le Mondial du Lion Equine Hall of Fame

Ben Along Time

Ben Along Time finished 4th at the Mondial du Lion as a six year old in 2001 .

In 2006 he won the individual Silver Medal at the World Equestrian Games in Aachen and then one year later won the Rolex Kentucky five star at Lexington.

Along with his rider, Australian Clayton Fredericks, Ben was a true world traveller competing in Europe, the USA and also Hong Kong when they finished individual 7th at the 2008 Beijing Olympic Games.

Clayton was always keen to point out that Ben had only one cross-country jumping jump fault over a ten year international career.

Ben started an active retirement from 2012 in Hong Kong where he competed in dressage competitions with owner Peta McAuley.
