

## Le Mondial du Lion Equine Hall of Fame

### **Greenacres Special Cavalier**

Greenacres Special Cavalier completed the Mondial du Lion as both a six and seven year old and finished in 17<sup>th</sup> place on both occasions, this in years 2019 and 2020.

In 2024 he won the Badminton Horse Trials five star competition.

Greenacres Special Cavalier began his five star career at Pau, France in 2022 as a nine year old. The following year he completed his first Badminton in the May and Elkton, Maryland, USA in October.

He is competed and was produced by the New Zealand rider Caroline Powell. Caroline is clearly a firm believer in the benefits of bringing young horses to the Mondial as she is a frequent competitor there.
