

Le Mondial du Lion Equine Hall of Fame

Lordships Graffalo

Lordships Graffalo began his international championship career with a top ten finish at the Mondial du Lion. He finished in 8th place as a seven year old in 2019.

In 2023 he won the renowned Badminton Horse Trials five star and then Burghley in 2024.

In 2022 he finished in an impressive second place at Badminton on his five star debut. Later that year he was part of the British team at the World Eventing Championships at the Pratoni del Vivaro where he finished in fourth place individually.

In 2023 he won the European Championships individual and team Gold Medals at Haras du Pin, Normandy.

In September 2024 Lordships Graffalo won the Burghley Horse Trials five star in emphatic style. After a penalty-free cross-country round he finished with only a few time penalties to add from the show jumping – and was still more than four points ahead of second place.

2025 brought double five star victories at Badminton in the Spring and Burghley in the Autumn.

His career rider Rosalind Canter gave him the stable name 'Walter'. However Ros took maternity leave in 2019 and so Walter was ridden at the Mondial du Lion by her British team mate Tom McEwen.
